

## FISCAL NOTE

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 14, 1995

SUBJECT: **HJR 108**

This resolution, if adopted, continues the special joint committee to study and to coordinate implementation of the executive branch's strategies to solve the many problems associated with the drainage of streams and rivers and the preservation of wetlands in West Tennessee.

The committee consists of three (3) Senators and three (3) Representatives. The committee shall make an interim report to the 99th General Assembly no later than April 1, 1995. The special joint committee shall report its findings and recommendations, including any proposed legislation, to the 99th General Assembly no later than February 1, 1996, at which time the committee shall cease to exist.

The fiscal impact from adoption of this resolution is estimated to result in an increase in state expenditures of \$954.00 for each one day meeting of the committee.

Details are set out below:

Per Diem (6 members x \$90)	\$540.00
Average round-trip mileage (6 members x 286 miles x \$.24)	<u>414.00</u>
Average Estimated Increase in State Expenditures for Each One Day Meeting	<b><u>\$954.00</u></b>

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
